What is the arrow doing sticking out of the wall? Are there other arrows inside and outside?

Look up at the small windows at the end of the church. Fossil plants!!!

Count the yellow/ golden globes - is this a special number?

Look up at the angel. What is it standing on and why?

Tap on the stork and the tree stump. Is this wood or something else?

If the sun is shining you might see rainbows! Why?

The font was carved by Sarah - why did she choose these creatures?

Look at the door surround. How could you guess that it was carved by a gardener?
