

THE FRIENDS OF ST MARY'S CHURCH, WREAY

Close up on the door.

The inside of the door has a special secret. Bend down and look closely at the bottom of the door surround on the left.

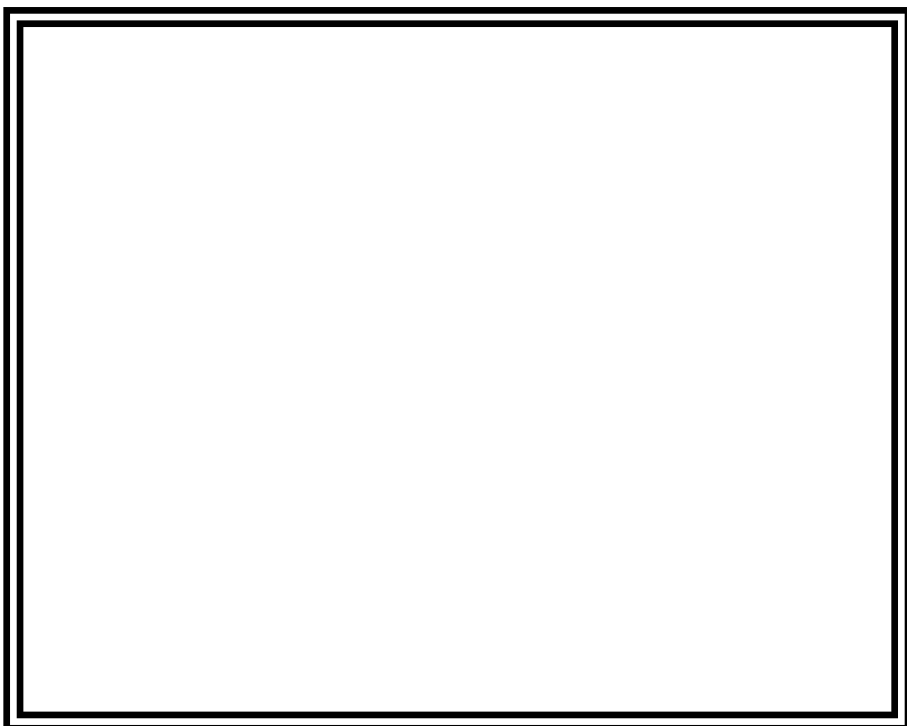

What can you see?

Yes! It is a caterpillar and it is chomping away at the stem of the marrow plant that goes all the way around the door. Sarah had a big garden so she employed a gardener. He must have been very good at woodcarving because he carved this door surround.

The gardener had a favourite Bible story which involved a caterpillar. It is in the Old Testament - The Book of Jonah.

Hold on! Isn't Jonah all about a whale? Yes and no.

Ask your teacher to tell you the whole story.
